Dear Mr. Wilcox:

This letter is in regard to your Freedom of Information Act (FOIA) request dated November 8, 2016 for “FWS’ biological opinion, dated August 23, 2005, resulting from consultation under the Endangered Species Act (“ESA”) with the U.S. Department of Agriculture, Wildlife Services addressing Wildlife Services’ proposed predator damage management program specifically for the Canada lynx (*Lynx canadensis*) in Colorado.”

We have assigned your request tracking number, FWS-2017-00126. We have enclosed one (1) document (50 pages) responsive to your request, which is being released to you in its entirety.

We do not bill requesters for FOIA processing fees when their fees are less than \$50.00, because the cost of collection would be greater than the fee collected. See [43 C.F.R. § 2.37\(g\)](#). Therefore, there is no billable fee for the processing of this request and there is no need for us to address your request for a fee waiver.

This is our only and final response and closes your request, FWS-2017-00126. If you have any questions, you may contact me by phone at 303-236-4473, by email at Stacey_Cummins@fws.gov, or by mail at 134 Union Blvd, Lakewood, Colorado 80228.

Sincerely,

Stacey Cummins
Region 6 FOIA Coordinator
