News to me Rebecca. Never heard of them. I'll check on it when I get back from vacation.

hi Stacy & Dan,
And happy new year.
Just wondering if you guys had ever heard of this group? It lists CS&KT and the Blackfeet as one of the 29 tribes opposing delisting of grizzlies in Yellowstone. It'd be nice to set the record straight if this isn't true or start some conversations with members of Tribal government who oppose delisting if this is true.
