Hi Rebecca,

The call is still on, but the agenda has been abbreviated. Jodie will be consulting with IGBST (Frank & Mark) to get scientific input regarding the section 7 declaration of the amendment/FPlan(?). Dan & I agree that the rest of the stuff was too premature and we didn't want to take up your or Chris's time. If you want to listen in, feel free to join. I will be a fly on the wall. Call me if you have more questions.
