Thanks for extending this offer, it is a great sign how everyone really does want to work together to reach a successful outcome. That will be the key to our success. Very much enjoyed the offline discussion and look forward to more of the same, take care, jeff.

Virgil and Jeff,
I understand you have offered to come up with a possible approach for further consideration. If it will help, I am happy to come down to Boise at your convenience to discuss the issues, and the expected legal challenges and how we can plan for them in the next delisting rule. I appreciated both of your efforts at the meeting and it was great to visit with you, Jeff.
All the best,
Chris
