Subject: Annual report
Date: Thursday, March 05, 2015 1:36:30 PM

Folks,

We have received a number of chapters for the 2014 IGBST annual report already but wanted to remind you that the deadline is coming up: **1 April. Note: please submit graphs and images as separate files (JPG, TIFF, GIF, etc.) and not as embedded images in a word document. This increases the quality of the images and also helps with the layout because the images have to be separated anyway.**

Also, please update your IGBST mailing list using this email. We have a few changes with Steve's retirement (Kate is filling his position on the study team) and Daryl's move to Twin Falls. Several of you know this already but Curtis Hendricks will be taking over Daryl's position on IGBST...welcome Curtis!

Please let me know if there are any questions about the annual report.

Frank
