Carl,
Here is an example of the letters sent to tribes. If I can be of assistance or do anything to further tribal involvement, please let me know.
Thanks,
Chris

Chris,

I'm getting inquiries from other tribes regarding the inadequacy of the consultation with tribes on the delisting of the grizzly. I'd like to discuss this with you prior to our Fish and Wildlife Commission meeting on Tuesday morning. If you can spare a few minutes between now and then I'd greatly appreciate hearing your take on the delisting and on steps being taken to engage effective tribal input. Please feel free to call my cell any time that's convenient. I'll be available most all weekend. Thanks. Hope to hear from you soon.

Carl
