Noreen,

I am assuming this in regard to the grizzly bear delisting so I will reschedule to make this work.

Subject: URGENT: opportunity for a conversation tomorrow?

Directors,

Dan Ashe would like to host a phone call with you tomorrow to discuss delisting issues. Unfortunately, he is available only 330-530 pm Eastern time (130 – 330 mountain time) and he is preparing to be out of the country for a few weeks so we have a small window for this discussion. Dan suggests that he's like to keep the call to the three of you, himself, and Matt Hogan.

Could you be available to talk with him during that window?

Thanks,
Noreen
