Let's talk. Not surprised. Heard some noise before AWCP that this might come up. I think we can update them and I can get Jim up to speed. It's a moving target right now and could change by Sept 1.

Matt,

I need to your help briefing Kurth up on the current state of WY grizz and wolves, see below for details ...

- I just got a last-minute, rather vague request from Bob Model/John Tomke for a discussion on Wyoming grizzlies and wolves at the next Council meeting here in D.C., Sept 1 and 2.
- I'm trying to get just a wee bit of detail from Model on exactly what he wants to talk about, but I'm guessing it will revolve around listing/delisting/state-fed coordination/tension/the usual.
- Kurth is representing the FWS at the meeting

On the other hand, you can tell me This Is A Ridiculous Request. I will then let Model and Tomke know that Unfortunately We Don't Have Enough Time To Prepare For This Topic and Perhaps We Can Move This Topic To Our Next Meeting.

Let me know either way!

Thanks.

-Joshua
