Mr. Stitts,
In response to your question, there have been no meetings about grizzly bear delisting in Eastern Idaho or anywhere else. If you want recent information on grizzly bear reports in eastern Idaho, I suggest you contact Idaho Fish and Game in Idaho Falls.
Sincerely,
Chris Servheen

Mr. Mackey,

Mr. Kempwerth's current auto-reply message said to contact you with any questions for him. My question is, as follow-on to the emails below is, what recent past or upcoming grizzly bear reports or meetings since last August? (I've just been to the fws.gov website in search of documents, but they're mainly a few years old or older.)

Thanks,

Rick Sitts
