Thanks. Matt and Noreen will be back tomorrow so hope to get a read then. This was a broader retreat with all the R6 State directors so Virgil was not there but Scott and Jeff were. I am not in the conversation for sure.

Mike,

Nothing beyond what we have been talking about concerning the delisting approach.

Will you get some kind of read from someone on what was talked about with the state directors this week? I assume you are not in on those conversations?

Other than the usual suspects that Matt and Noreen are aware of is there anything out there that a state D might bring up that is not on our radar? Thanks.

ARDs,

Please note that at the 8/17 RDT Monday morning meeting Matt requested I consolidate any talking points needed in preparation of the AFWA meeting next month. The meeting will be held in Arizona 9/12 – 9/17.

Send me any points that a State Director is likely to bring up for Noreen and Matt's preparation. Provide me the items NLT 9/4/15.

Thanks.
