Matt, today is tough. What is your schedule for later in the week? My time in Boise is very flexible so I will do whatever. I am driving from Portland so I will not be available most of Wed. I may be able to get there by early afternoon if I am needed. I can dedicate all of Thursday to GB.

Matt, if for any reason you want me there for part of this mtg, I am going to be in Boise for fish issues the 9-11. I have other obligations but I could adjust my schedule if needed. I will roll into town on the afternoon of the 9th. Hope we can find a path forward.

**Subject:** Grizzly Bear Meeting

Matt, and Noreen,  
First, thank you for your time this morning  
and the proposal to move forward with the  
process to delist the Yellowstone grizzly  
bear population.

After discussion between Montana, Idaho  
and Wyoming we propose a meeting to  
proceed with your proposal in revising the  
conservation strategy and recovery plan via  
a joint effort in Idaho Falls on September 9  
-10th at the Idaho Fish & Game Regional  
Office.

We look forward to resolving these changes  
and proceeding with a delisting rule in a  
expeditious manner.

Thanks Again,  
Scott
