Council Members:

Attached is the final draft of a letter to the DOI and USDA Secretaries regarding recovery and delisting of grizzly bear and wolves, discussed and approved at the past Council meeting. I will finalize and send the final version out to the Secretaries this Monday.

Action Requested in Letter

'Cognizant that resuming state management requires a "delisting rule" from the Fish and Wildlife Service, and that this is a detailed task requiring close coordination among the Service, the states, and the public, we ask that you send appropriate knowledgeable staff to meet with a workgroup of the Council to discuss the effort to accomplish these ends.'
