Mike,

I told the RO staff that this has already been responded to and to remove this letter from their list.

Could you please forward to me the response that was sent based on my comments on Matt's draft?

Thanks,  
Chris

Chris and Jennifer,

Attached is another letter we need to respond to, this time from ID, MT, and WY State Directors. I have a started draft response letter attached also, similar to the other recent response letters. Can either of you take a look at both and see if we need to add anything further to the draft response letter? I'm particularly interested in the last two paragraphs in their letter and if you think we need any language to respond to those claims, and the bit about Nov 5.

The due date is 9/28 so we need to get a draft ready for RO circulation by later today or first thing tomorrow if possible.

Maria,

I have not drafted a response for this yet, I didn't see the DTS until you sent it. I can can throw something together similar to the last response. But I'm not sure how we want to respond to this one, specifically the last paragraph.
