Mike and Matt and I talked about this letter. Matt drafted a response that I edited and sent back to Mike and Matt. It is in the RO somewhere. I asked for a copy when it went out, but haven't gotten it yet.

Chris,

Can you send the letter so I can see if I can track it down. Kris has not seen it. It's not in the surname folder either.

Thanks

I have the Tomke letter in your box for a couple of edits, but I don't have this one.
