Subject: Standing Rock Sioux Tribe Resolution Opposing Grizzly Delisting

Attached please find the Standing Rock Sioux Tribe's official resolution (390-15) opposing the delisting of the grizzly bear, recently passed by the council. This is in response to your email to Chairman Archambault, II of 7/14, and the stock letter of 6/15/15 received by the chairman's office. The resolution speaks for itself regarding the tribe's opposition to delisting, the necessity and format consultation must proceed under, and the request for a moratorium to be instituted on this issue.

Thank you.
