Subject: RE: DTS Assignment--opposes delisting of grizzly bear from ES list
Date: Friday, October 16, 2015 10:09:46 AM

Hello Team,

There are two DTS assignments regarding opposition to delisting the GYE grizzly bear.

1. ESO-00065888 is from the San Carlos Apache Tribe. Please review the hard copy letter that is in snaring now, not any previous electronic copy. I sent the revised response to Chris and the hard copy was routed to Seth yesterday. Due date is 10.20.15.
2. ESO-00065900 is from the Hopi Nation. I suggest we send a similar letter to the Hopi Nation as we are suggesting sending to the San Carlos Apache Tribe. The Hopi Nation was not included in the June tribal letters. No due date has been set for this response.

I'm happy to answer any questions.

Thanks!

Serena

Actually, this is the same letter which we already have in process...it is the one to San Carlos Apache Tribe. We can close out both of these DTSs at the same time. I'm not sure who is lead on the DTS but I think they have different numbers on them.
