Subject: YES Agenda for Nov. 3/4
Date: Monday, October 19, 2015 4:43:37 PM

Rich,
I opened the agenda for the YES meeting on November 3 and 4. There are several agenda items that really caught my attention. I have pasted the agenda below. The items on review of the delisting process, delisting update and the discussion on population monitoring, population estimates, mark/resight and effective population size are of special interest.

Matt,
I have extended the invitation for the Wed. check-in to Richard and hope we can discuss this agenda then.

Thanks
Mike
