Agreed! If that works for Scott and Matt, let's do it as Brian suggests. I believe it is a stand-alone topic as well.

Thanks!

Tammy,

Mary Erickson will be the YES chair and be providing the YES update (chair rotates to her at the meeting in early November). I strongly recommend that Scott and Matt provide updates regarding delisting and that it not be a part of the standard YES update provided by Mary Erickson.

Hi all,

Please see my note to Matt and his response. Scott/Brian....would you be willing to

jointly provide the YELL update along with Matt (in lieu of Chris Servheen). Brian I realize you were likely not attending since Scott will be there but I wanted to throw out both options.

Hope you all are doing well!

Hi Matt,

Hope you are doing well!

I'm wondering if you'd be willing to give the yellowstone delisting update this time? I also am thinking it might be helpful for Brian Nesvik and/or Scott to weigh in which will demonstrate some solidarity? Let me know what you think. I'm assuming things are still on course.

Thanks!

Hi all! Attached is a very DRAFT agenda for review and comments. What additional topics do we need?? Suggestions and feedback please.

I'm also thinking we need a social gathering on the first night. Lots of eggnog and rum and food of course. We need to celebrate Tammy's new job and how much we will miss her! Everyone agree?? I'll start looking for a place within walking distance from the hotel unless folks want to stay at the hotel. Thoughts??
