Subject: Talking Points for YES
Date: Tuesday, October 27, 2015 8:27:56 AM
Attachments: [FWS Talking Points for the YES Meeting.docx](#)

Attached are draft PROPOSED talking points for the YES meeting next week. Please review and give me your feedback ASAP. Once we have agreement at our level, I will need to send them to HQ for review and approval.

Our EA/ES folks are also working on potential questions that might arise at the meeting with proposed answers.

I hope we can get this finalized NLT Thursday or Friday of this week. Thanks.

Matt
