Hi Justin and Chris,
Wondering if this CBD petition for a grizzly bear recovery plan sounds familiar. Apparently a reporter contacted R8 about it recently. It didn't ring a bell for me and Kelly couldn't find it in the petition module. Did the Service ever respond to this and if so, can you share a copy of it?

Hi Maricela, do you know anything about this? I found the petition on CBD's webpage:
http://www.biologicaldiversity.org/species/mammals/grizzly_bear/pdfs/Grizzly_Recovery_Plan_Petition_.pdf

However, I don't see the petition in the petition database, so I am not quite sure what we did with it. Did we consider it an APA petition or respond to it in some way?

Good afternoon,

I've been contacted by a Sacramento Bee reporter who would like information about a petition that Center for Biological Diversity filed in 2014 regarding the return of the grizzly bear to the American West.

Mike Long suggested that I contact HQ ES because he doesn't recall this petition. Do either of you have any information that you would be able to share with the reporter, or know who would be the best contact?

Thank you,

Pam
