Lois -- Would you coordinate with Kris in R6 to find a time that works for me and for Matt and Mike to take this meeting (Matt and/or Mike by phone), then loop back with Keisha? Also invite Maricela. Thanks -- GDF

May 4th would work best from either 12-2pm or 3-4pm. We could also do the 3rd from 2-3 or May 6th from 11-4. Let me know what works best for you and your staff.

I'm sure we can find a time the first week of May, too. Can you offer up some dates and times that work for you? -- GDF

Hi Gary,

We could maybe do 4/27. I am waiting to hear back from our scientist who I would like to join the call. Do you have any time the first week of May? I know my colleagues are around that week except for May 5th.

Best,

Keisha

Keisha -- Sorry for the late response. Would be happy to meet. Are there some times this Friday 4/22 or next Wed 4/27 that would work for you? Need to keep it after 10a so we can connect our Regional Office folks by phone. -- GDF
