Hello All,

Thank you for forwarding me the student's inquiry. Unfortunately, my response below was blocked by the school district. It does not allow emails to K-8th graders. I've contacted the school district to see if there is another way to deliver the information to Ms. Atkinson. In the meantime, please feel free to forward any other Yellowstone grizzly bear delisting inquiries my way.

Thanks!

Subject: Yellowstone Grizzly Bear Population Proposed Delisting

Hi Anna,

We appreciate your interest in wildlife conservation! The U.S. Fish and Wildlife Service has posted information regarding the proposed delisting of the Yellowstone grizzly bear population on our website: <https://www.fws.gov/mountain-prairie/es/grizzlyBear.php>.

There you will find:

- the press release
- frequently asked questions
- proposed delisting rule that was published in the *Federal Register*
- Supplement to 1993 Grizzly Bear Recovery Plan
- Draft 2016 Conservation Strategy for the Grizzly Bear in the Greater Yellowstone Ecosystem
- Appendices (which show post-management plans by the states)
- Proposed Greater Yellowstone Ecosystem Grizzly Delisting Rule Literature Cited

- Greater Yellowstone Ecosystem Map

As well as the educational posters used at the public open house meetings. You can also see public comments received thus far on the proposed delisting at www.regulations.gov. If after reviewing these materials, you still have questions, please let me know.

Thanks again for your interest!
