Subject: ACTION: Director's Grizzly Update Memo

Hi Noreen and Matt,

I'm filling in for Emily Porcari for the month of July. Director Dan Ashe has requested briefing materials on the Grizzly Bear in anticipation of a WAFWA meeting on the subject. He specifically is looking for status updates and our knowledge of the positions of different partners.

I have attached a briefing memo template to this message, as well as a memo from a few years ago to work off of.

This is a quick turnaround: we need the information by **1:00 on Thursday, July 21, 2016.**

Do not hesitate to reach out with questions or concerns. If there is anything we can do to assist since its a quick turnaround, let us know.
