

Fellow YES members, as promised, please find attached the draft agenda for our August 2nd working meeting on Conservation Strategy updates. The meeting will run from 9 a.m. to 5 p.m. We hope as many Committee members can make this meeting in person as possible. However, recognizing that may not be possible for all, we have a conference line available as well (information on the agenda).

If there are any suggested changes or urgent topics that we need to build into the day's meeting, please let me know right away.

Thanks, Mary
