Attached are our comments to this "News Release". Please note that we are not doing any "presentations" at either the public information sessions or the formal hearings.

We have already sent notices to the local newspapers (attached) as per the requirement for such notices being in local media 15 days prior to public hearings. These notices were sent to the Bozeman Chronicle, Cody Enterprise, Idaho Statesman, Jackson Hole News and Guide, and the Casper Star Tribune.

Given that these legal notices have already been sent out, what is the purpose of the Press Release?
