Chris,

See email from Susan Morse.

External Affairs program in HQ is looking for someone to verify statement in last line of Susan's article.

As Grizzly bear recovery coordinator (ES), you are appropriate person to review and confirm or edit the sentence.

Susan asked that Vanessa Kaufman and Martha Nudel of EA in HQ be copied on your response.

Hi Bill,

I'm doing a final review of the CRI-Grizzly Bear Aware story at the request of HQ Public Affairs office before they distribute the CRI package.

Can you pls advise on the question a reviewer has placed at the very end of the story.

Is there anyone in R6 or ES we need to double-check with?

Thanks,
Susan
