Subject: Mark-Resight trend analysis report
Date: Thursday, May 12, 2016 8:30:56 AM
Attachments: [IGBST_final_report- Christopher Peck - 11 May 2016.pdf](#)

IGBSTers,

FYI, attached is a final report submitted to IGBST by Chris Peck, who conducted the trend analysis on the Mark-Resight data for his Writing Project at MSU under the guidance of Megan Higgs. This is important and timely work, especially given some of the comments we are seeing on the PR and CS.

We will be adding this report as an Appendix to the 2015 Annual Report.

Frank
