Jodi/Jim,

Thank you for the opportunity to comment on the draft Lynx SSA and for your patience in awaiting our response. The comments attached to this email were authored by Minnesota Department of Natural Resources' Furbearer Biologist, Dr. John Erb. I have carefully reviewed and concur with these comments, and they should be considered submitted on behalf of the Minnesota Department of Natural Resources.

Please feel free to get back to me with any questions or concerns. We look forward to the next draft of the SSA.

Sincerely,

Rich Baker
