FYI, I'm sure you'll be hearing about this from other sources but I'll pass along any info I get through Todd. Of course we would like to get a tissue sample for DNA and pertinent info such as location, etc.

Tim

Hi Tim -

FYI - As soon as I get more information I'll let you know....

Hi Folks,

FYI, One of our tribal trappers accidentally took a lynx in a snare just SW of Cass Lake. We are working with FWS on its disposition.
