Hey Jess,

Can you direct me to where I can get a copy of some Catron County reports? I'm interested in report number WSS-214 (Frieborn back in late April). I'm also interested in any that you have from (b) (6) /Flying W Ranch/Cox Canyon Allotment/Eagle Peak Allotment. I've been unable to connect with him on a report I heard about with him and his grandkids from a few months ago. I'm trying to track down if you did a report on that? From my experience, (b) (6) is very hard to communicate with and usually just yells at me for a while, then hangs up...

Thanks,  
Ed

Ed, I just got back home. You will need to contact Commissioner Anita Hand for approval for me to release the reports...Thanks...Jess
