NTR looks good. Yep, 5/10 is what it is. I bet it goes thru sooner.

Thanks,

Brady

Can you review the NTR? Z:\Correspondence & DTS\County Issues\Catron County\2021
Catron County Nance Letter

Also, note that as I calculate the timeline as a result of the routing, this letter won't be signed
and sent out by Amy until 5/10. I know it will likely be sooner but dang that's ridiculous.

Thanks.

I don't think we should mention Jess got a receiver from WS. It's a big point of contention with the county and I think better discussed in person. I've made the rest of your edits and am ready to do a NTR and get it into DTS if you agree?

Hi Brady,

I have saved the incoming Adren Nance letter and draft response letter at:

Z:\Correspondence & DTS\County Issues\Catron County\2021 Catron County Nance Letter

I also saved the incoming email from David Pato. I have not drafted a response to that yet. My suggestion is to move the Nance response through for Amy's signature and when we send it, also send it to Mr. Pato with a suggestion that we address his email response in a meeting. Your thoughts?

Maggie
