Since Dan has done all the heavy lifting on this, I think we should forward it to him. We've been more of an adviser, DNR and the zoo are the ones doing the real work.

Dear Ms. Tansy,

My name is Andrew Cruickshank and I'm a writer for Cottage Life Magazine. We're a Canadian magazine published nationally that focuses on outdoor culture. I'm looking to write a story on the Canada lynx that was captured in Michigan and was hoping to ask you a few questions. Is there a time this afternoon or tomorrow I could give you a quick call?

Thank you,
Andrew
