Hi Andrew,

Thanks for your email. We work closely with the Michigan Department of Natural Resources on lynx in Michigan. I recommend you contact Dan Kennedy, MDNR's Endangered Species Coordinator, who should be able to answer your questions. His contact information is below:

Dear Ms. Tansy,

My name is Andrew Cruickshank and I'm a writer for Cottage Life Magazine. We're a Canadian magazine published nationally that focuses on outdoor culture. I'm looking to write a story on the Canada lynx that was captured in Michigan and was hoping to ask you a few questions. Is there a time this afternoon or tomorrow I could give you a quick call?

Thank you,
Andrew
