Audrey - I because it's over 25 MB, I had to create a file share. **See link below.** You have access to this for 7 days. Let me know if you have trouble with this.

Yes, I do have this reference, at least through the chapter on wolverines. I only have an old hard copy so I would like to have the pdf. Could you give it a try and I'll see if it comes through. Thanks so much.

Have you seen the (very old) discussion of wolverine in Coues? It's available on-line, but I downloaded the pdf if you are interested (it's about 33 MB so not sure if it will get through via email).

Coues, E. 1877. *Fur-Bearing Animals: A Monograph of North American Mustelidae*. Miscellaneous Publications, No. 8. Department of Interior, Geological Survey; Washington, D.C.
