Thanks so much, Richard. I look forward to seeing any comments that we receive.

Betty,

I just sent the SSA for review by Tribes in Region 8 and cc'd you for your admin record. My apologies for the delay. I tracked down the person who was in my position when the original emails went out and he supplied his contact list on the topic to me yesterday afternoon.

Should I get feedback, etc..., I'll send it to you for your record.

Best, Richard
