John - Can you give me a call today, if possible? Not finding your emails that contain data or data sets. I'll keep looking.

Those were both emails, I'm pretty sure I sent you those a few weeks ago. Let me know if you can't find them and I can send again. One was from Webb and the other was from Weir.

Hi John - Not sure if I asked this earlier...

I need to add full citation in the SSA Report for the British Columbia Ministry of Environment, referenced in Figure 5 (page 63) and in the document (page 62).

Do you have this reference/document, or was this an email message (which would be a pers. comm.)?
