Subject: meeting w Noreen on Friday
Date: Wednesday, January 11, 2017 7:59:41 AM

Hi Steve,

I'm back in the office. We have an ES briefing with Noreen on Friday and I just noticed this line in the agenda "Wolverine Modeling - products expected from NOAA/CU in November/December 2016 (John)". We should talk about this on thurs as well.

Thanks John
