Ed and I are available at 1:00 pm PST. Does that work for you? If so, let me know if you will be calling us. We will be sitting in his office for the call so I will either need to send you his number, or you need to send yours.

Hi Conor - Do you have time for a phone call tomorrow with me and Ed Turner (GIS staff)? Also, I will be sending you 1-2 maps in pdf format later today and some graphical results of our collected count data. We need to explain these results to you and talk about next steps.
Let me know if you are available after 10:00 am PST.
Thanks,
Betty
