Hi Betty and John, I'm back now and just took a look at the dens.

John do you actually have a DEM that covers the entire range?

If so can I get a copy or a link to where you got it. I assume it's huge in file size.

Thanks, Ed

Thanks John! Ed will be back in the office tomorrow so we will take a look.  
Bob Inman has indicated that he will send me his den site locations. I'll get those to you as soon as I receive them.

Hi Ed and Betty,

I pulled all the dem elevations for the dens and also added in the meltout dates for the dens I had modis data for and put them in the attached shapefile. I didn't delete any duplicates so those are still in there.

Best, John
