Yes, I have seen these. Not very specific.

Maybe there is someone at USFWS, rather than State we can contact. I am still waiting for response from AK F&G to reply to my request, so don't want to reach out to same people. I also have AK F&G latest report on trapping by region.

Here is some basic info, but shows range across all of AK.

NHP, didn't really have anything, but I will try a contact.
