Yes saw those and pictures they have.

Here is some ND stuff

Right, this is the person I am trying to reach. Their site also has that video I mentioned of wolverine eating bird eggs. Not sure I noticed where though?

This is how Jared Hatter announced to his friends he shot a wolverine. I grabbed this screen shot from Mr. Hatter's Facebook page before he took everything down. I think his comments speak for themselves...

Jared Hatter added 5 new photos.
