The Glacier food habits paper hasn't been submitted to any journal yet. You can cite it as "in prep" if you like.

Thanks, Jeff. Do you know publication date for the "Food habits of wolverines in GNP" paper? (email sent to Rick Yates indicates that he is out of the office)

None yet, Betty. You'll just have to cite it as "in press" for now. Hopefully, it will be out late spring.

Hi Jeff - Do you have a publication date for your book chapter "Social ethology of the wolverine article?"

Thanks,
Betty
