Subject: ATTENTION, MIGHT BE DELAYED! : Updated Invitation: Wolverine --ROMO discussion with Ben @ Wed Mar 22, 2017 12:30pm - 1:20pm (beli1098@colorado.edu)
Date: Wednesday, March 22, 2017 12:09:55 PM

Hi Andrea et al.,

Aaron's simulations are still running as we speak--I wonder if it isn't better to hold off on talking until they're done and he and I can look at the data...

I'm about to do a video call with him and will have more info soon...
