Hi All, we checked in late last week & some one on one conversations, so I'm calling off the meeting today. We'll likely check in later in the week when we have the latest results from Ben & Aaron, likely Thurs or Friday, Ben is back in the US on Thursday.

and just a heads up -- I'm out of the office Mon-Wed next week, at the US Drought Monitor Forum in Keystone, SD (the black hills). I'll be on email and reachable by cell phone.

Andrea
