Thanks Chris (and Patti). I received your out of office reply, so I also asked this question of Tom Schumacher, who referred me to Brynn Parr (Tom thought a 2015-2016 report was prepared). But I have not yet heard back from Brynn.

Statewide Annual Report (for 2011-2012) by Tom Schumacher. But I did not see any of
these reports past that time period. Are there more recent annual reports available?
