Thanks everyone for all your responses. I received the 2016 report (thanks again Brynn).

Greetings Betty,

Thank you for your inquiry. It helped us identify and fix the reason why the most recent report, for 2015-2016, was not showing in our publications search. It is now showing, and here's the link it:

<http://www.adfg.alaska.gov/static/hunting/trapping/pdfs/trap2015.pdf>

There is also a 2012-2013 report:

<http://www.adfg.alaska.gov/static/hunting/trapping/pdfs/trap2013.pdf>

For your future reference, the complete list of available trapper questionnaire reports is available in two places:

1 --Through a search of our publications database for "Trapper Survey Report":

<http://www.adfg.alaska.gov/index.cfm?adfg=librarypublications.wildlifepublications&sort=all&publicationtype=Trapper+Survey+Report&submit=Search>

and

2- On the Alaska Trapper Questionnaire website page, where you can find the contact info for the questionnaire coordinator, Brynn Parr, should you have additional questions about these reports:

<http://www.adfg.alaska.gov/index.cfm?adfg=trapping.reports>

Thank you for your interest in these reports. Let me know if you need further assistance.

Regards,

Patti

Statewide Annual Report (for 2011-2012) by Tom Schumacher. But I did not see any of
these reports past that time period. Are there more recent annual reports available?
