Hi Bob - Thank you for reaching out to Kalon. Unfortunately, we are not really allowed to use Dropbox from our agency computers. Would it be possible to copy the photos to a DVD and sent this to me via mail? Again, no rush.

Hello Bob,

Thanks for thinking of me for a wolverine photo. I do have some images that might work. I'll attach a few images for USFWS to consider. The use of the images are free of charge. I figure the excellent exposure can be considered my compensation. However, I'll retain copyright and any time an image is used I would request a proper citation. How does that sound? Or would you feel more comfortable with a formal letter of agreement?

Images for USFWS to use attached via DropBox link here:<https://www.dropbox.com/sh/yj17glgpv18huna/AACDxUrVR4ip96LibRo-SejPa?dl=0>

Best to you Bob and I really enjoyed getting to know you better at the latest meso-carnivore workshop in Kalispell.

Kalon

Hey Kalon, If you are interested, the USFWS is looking for a photo for the cover of their species status report. Any interest in providing them something?
