Hi Betty -

Here is the story I mentioned to you this morning.

Wolverine study's plan preferred to endangered species listing

GreatFalls Tribune/Opinion
May 2, 2017

During a multi-state survey this winter to establish a baseline of where wolverines live in the U.S., one of the solitary mountaineers was photographed by a motion-detecting camera 65 miles southeast of Great Falls in the Little Belt Mountains.... <http://www.greatfallstribune.com/story/opinion/2017/05/02/wolverine-studys-plan-preferred-endangered-species-listing/101208748/>
