Hi Ed,

No problem. I will request that an Enerdeq account be set up for you.

Subject: IHS Oil and Gas location data for USFWS efforts

Hello Andrew, I'm with the USFWS office in Carlsbad, CA. and wondering if you can help with the latest IHS GIS data.

I would like to request access to the Enerdeq Browser for the updated oil and gas data. I don't really access to a map server, but the actual raw data, so hoping this will help.

Thank you,

Ed
