Subject: wolv genetics call Thurs 5/11 12:30pm Mountain
Date: Wednesday, May 10, 2017 9:27:31 AM

I just sent all of you a calendar invite and call in info for this. Betty would like to chat with us about a couple of genetic issues. This time was clear on your calendars, but if it won't work, let me know and I'll find another time.

Thanks John
